Introducing HighQ SitePoint

Advanced Dealroom & Extranet Solution for Law Firms

HighQ SitePoint is an innovative dealroom solution with class-leading features, ease-of-use and security. A unique, fully managed, enterprise model offers unlimited sites and users, all covered by one annual fee, so you can offer added-value services to clients as needed. HighQ partner, Phoenix Business Solutions, offer integration with iManage WorkSite for added convenience.

Some of the world's leading law firms use SitePoint for:

- Securely hosted data and deal rooms
- Matter and project collaboration
- Bound volumes / e-Bible archives
- Knowledge Management
- Activity tracking with i-Sheets

Our SitePoint customers include:

- Allen & Overy
- Appleby
- Bech-Bruun
- Clyde & Co
- Eversheds
- Freshfields Bruckhaus Deringer
- HBJ Gateley Wareing
- Maples and Calder
- Nabarro
- Plesner
- Simmons & Simmons
- SJ Berwin

"Over the last five years, we have come to know HighQ as a trusted service provider - being one who listens and one who responds. HighQ has demonstrated an understanding of our clients' needs, ensuring the delivery of quality solutions and the highest levels of customer service."

Director of Knowledge Management, Simmons & Simmons

"HighQ have demonstrated time and again a strong ethos of listening to what clients are saying, and continue to respond with first class products for professional services. We are extremely impressed with the level of service that HighQ provide."

Head of Online Services, Allen & Overy

HighQ Solutions provide innovative products and services to some of the world's leading law firms, including secure dealrooms, marketing and publishing platforms and strategic consulting services. Our products are used by over 20,000 industry professionals and our commitment to the highest levels of service is second to none.

Phoenix Business Solutions have more than 10 years of experience in the legal industry. The company provides software solutions and IT consultancy and delivers leading software solutions such as Document Management, Enterprise Search, Risk Management, Compliance and Time Recording to professional services firms.
